### **All Lectures Cancelled on Varsity Day**

#### **This Union Notes:**

1. Lectures are not cancelled on Varsity Day
2. Varsity Day is one of the biggest events in the Students' Union calendar
3. Some of the matches that take place on Varsity Day clashes with Lectures

#### **This Union Believes:**

1. Varsity Day is a very big day for all students and by having no lectures, students will be able to support their University against Warwick
2. By allowing students who compete in sports more time to prepare for such a big occasion, it enhances the student experience as the day will have more importance to them
3. By having all lectures cancelled, those who do not participate in sports can watch and support their fellow students

#### **This Union Resolves:**

1. That the Vice President of Student Activities pursues the University to cancel all Lectures on Varsity Day

**Proposed by:** Steven McCarthy, Vice President Student Activities

**Seconded by:** Sports Council
