

Student Volunteering Week 2011 - what we did March 2011

Volunteering & Employability organised a range of activities available to students and staff including;

Monday 21st February

PR Day: Stall in the Library corridor, promoting the benefits of volunteering and helping students know the path to a volunteering future.

Information session: A session from Cancer Research UK to inform people about a new fundraising group being set up at Coventry University Students' Union.

Tuesday 22nd February

Promotional Talks: 2 promotional talks to explain why you should volunteer and highlighting the opportunities available

Wednesday 23rd February

BTCV Conservation Day: A one-off conservation day helping to improve a local woodland area and encourage bio-diversity levels.

Saturday 26th February

Big Challenge (multiple projects): Our biggest annual volunteering event in collaboration with Warwick Volunteers from the University of Warwick.
