I feel the event is very interesting and enjoyable. I would like to continue to take part in volunteering. I also feel that I had improved my skills from the event. I hope there will be more different kinds of event I can take part of in the future.

I had a fantastic time during the big challenge, meeting lots of new people from different backgrounds working together to create a great piece of work. The day couldn't have gone any better and I'd definitely recommend getting involved with this type of event to any one. A brilliant experience!

Sarah Thompson – Teacher at Charter Primary School

Just wanted to drop you an email to say a huge thank you for organising the Big Challenge event last week. We were so impressed with the organisation of the day, enthusiasm of the students and the quality of the work done. The reaction from staff and children on Monday morning was one of delight and all of the children love their new mural and planters. Many thanks again for a fantastic day and a project that has truly enhanced Charter Primary.

To be honest, everything was perfect even the rainy weather made me enjoy the nature. The team was ok in my opinion, everyone worked hard. I hope in future to take part in other volunteer activities. Thank you.
