Too Hot to Handle

This Union Notes:

1. 54 has no air conditioning
2. 54 has a primitive fan system that generally isn't turned on

This Union Believes:

1. On busy nights in 54 it can become unbearably hot
2. As a result students are driven away from 54 and therefore 54's income is reduced

This Union Instructs Executive:

1. To get individual air conditioning quotes for the studio and the Casbar
2. To investigate alternate cooling methods

Proposed: Chris Haines, Non-Portfolio Officer
