Welcome to the CUSU Awards

The CUSU Awards celebrates the hard work and achievements of our members. Without the passion, drive, and enthusiasm of our students, both shortlisted tonight and for all students and the fantastic work they do throughout the year, we wouldn’t be the organisation we are.

A Welcome from the President

Hello distinguished guests,

Although a little different this year, I’d like to welcome you to our Annual CUSU Awards.

We will take a moment to thank all the students who have been nominated for our awards for all their dedicated time and undeniable hard work. In light of current events, we can no longer host the CUSU Awards for this year but the recognition for these students should not go unheard. We could not achieve all that we do without you therefore I would like to express my deepest gratitude.

Over the past year we have been able to achieve major wins in ensuring student engagement and experience which has gone further in entrenching our position as the voice of students on campus. This achievement is through the sheer hard work of the CUSU Staff, Sabbatical Officer, Our Reps and the various volunteering groups. Our Union has made it a belief and a choice to become advocates and promoters of the UN Sustainability goals, we witnessed a wonderful month of activities throughout the green week and our first ever summit on the Sustainability. The work has just begun, and I endeavour you all to play your part in ensuring a better future for our planet.

Finally, I would like to reiterate my thanks for all your hard work, and I wish you the best of luck.
